
Powerful Curriculum Design

With Martin Robinson and Tom Sherrington

Friday July 7th, London £149

Programme

How to meet the challenge of providing a truly broad and balanced secondary curriculum? As you look ahead, this event will help you to ensure your curriculum offer is as deep and rich as possible whilst also meeting parents' expectations and dealing with any Ofsted worries around curriculum provision.

In a packed day, we will provide you with ideas and tools for designing a joined-up curriculum that weaves subject disciplines, character development and oracy and much more into a coherent whole.
